

ARLINGTON FOREST CLUB RULES

As amended, March 31, 2017

The Board of Directors establishes the following rules for the protection of the club, its members and guests, and to assure the safe, sanitary operation of the club facilities. The rules comply with the Arlington County Water Recreation Facilities Ordinance and regulations. The current Red Cross Swimming and Water Safety Manual is an additional part of these rules.

All Certificate holders, rental members, emeritus members, August members (all further referenced as "Members") and their dependents, babysitters, and guests will comply with the club rules as well as with applicable local, state and federal laws and ordinances. Members are responsible for reading the rules and ensuring that they and their dependents, babysitters, and guests are aware of all rules. Members are responsible for their own behavior as well as the behavior of their dependents, babysitters, and guests. Failure to comply with the Arlington Forest Club (AFC) Rules shall be considered cause for the immediate suspension of club privileges for the offending member and/or other members and dependents in the same member household.

The Board of Directors delegates authority to the pool manager and lifeguards to be in complete charge and have final authority to interpret and enforce all rules.

The pool may be closed during regular operating hours for inclement weather, special events or special circumstances arranged for in advance between the management and the Board of Directors. The pool calendar will reflect dates and times of special events and activities that may close all or part of the pool during the summer.

COMMUNICATIONS

All official club communications are made via the AFC eSoft registration system and through postings on the AFC website. Members can change their email address by accessing the AFC eSoft online registration portal. AFC maintains a list of the few members who do not have internet access and will separately communicate critical information to those few members.

Members can receive announcements regarding pool closures due to weather or contamination by following AFC on Twitter using the link on the AFC webpage.

REGISTRATION AND PAYMENTS

Certificate holders, summer rental members, and emeritus members, must register for the season and pay annual dues using the AFC eSoft online registration portal on or before May 1; after which a late fee of \$50 will be charged. August members must register using the AFC eSoft online registration portal on or before July 1; after which, registrations may not be accepted. Babysitter passes, eGuestcards, tennis keys, team fees, lesson and event registration and fees are also handled using this AFC eSoft online registration portal. The few members who do not have internet access will be separately contacted and may attend a help session to register and make electronic payment.

A member may, on a space available basis, register a non-member for a group lesson or class or a private lesson as a companion to the member or member's dependent. The member must email membership@arlingtonforestclub.org to obtain an authorization number to register the guest for the class. The class fee plus guest fee must be paid by the member. Registration for group swim lessons closes the Wednesday prior to the first scheduled day of class. A parent or other responsible adult is required to stay on the premises during the duration of the group swim lesson.

A child with a skill level above or below the level of the lesson in which they are registered will, on the first day, be moved up or down to another level lesson offered at the same time. If the other lesson offered at the same time is at capacity, the parent will be offered a refund or placement in a lesson at another time, if available.

Group swim lessons are generally scheduled Monday through Thursday, with Friday available as a make-up day, in the event the pool is unexpectedly closed due to a weather or a club event. If a make-up lesson is not held, the lesson fee will be pro-rated and a refund issued. This request will be evaluated pursuant to the transfer regulations, below.

2. CERTIFICATE TRANSFER REGULATIONS

A proposed transferee must have a membership application on file, endorsed by a current certificate holder, other than the selling member(s).

A proposed transferee will not be acceptable to the Board if selected by a member who solicited, or was solicited by, the proposed buyer in a blind posting (e.g., craigslist, posting to a school, neighborhood, or other listserv posting),

A proposed transferee will not be acceptable to the Board if the proposed transferee is to provide consideration to the selling member, pay the selling member a premium, or pay the selling member a fee for the "service" of nominating the proposed transferee as the recipient of the membership.
